About Wellness Place

Wellness Place is located in Palatine and serves those diagnosed with cancer, their family and caregivers. Professionals provide critical support and guidance as participants learn to manage emotional and physical responses to treatment, sort through options and side effects, formulate questions for doctors, and communicate matters to family and employers. Specialized services are available for breast and prostate cancers, families and young children. Programs are at no charge and empower those affected by cancer to live the fullest life possible. Net proceeds generated from the *Art of the Human Spirit* celebration will go directly toward providing these vital services for the ever growing number of people facing cancer.

The Wellness Place Auxiliary salutes the founders for making their vision a reality.
